Mr. Henry Bozzi,
135 S. Ferry St.,
Schenectady, N. Y.

Dear Mr. Bozzi:

In answer to your letter of the 7th, while I would like to stay up that way a couple days it is foolish to stay away from home for \$50.00, it cost that much for room & board and gasoline. It would really be better to come home. Negotiations are underway for me to play in Kingston, but I would get a much bigger guarantee.

I will talk to you about the uniforms when I see you Sunday. I will be expecting the Boy in Albany. Please have arrangements all completed with the Parole Board, so I can take him away. Please don't pitch the boy later than Wednesday, so we can use him Sunday.

I have an outfielder that I might make arrangements with you Sunday when I come up there. I might let you have him for the remainder of this Season. Will take it up with my Manager and see if we can spare him.

About July 21st, I am playing The Yankees in Newark that day. Will see you Sunday.

Yours very truly,
